

Senior Architectural Designer | Los Angeles

ABOUT THE COMPANY

KTGY is an international full-service architecture and planning firm. Our architects and planners combine big picture opportunities, modern sustainable practices and impeccable design standards to help create developments of enduring value. Organized to deliver the most specialized service possible and enriched by the depth and diversity of our team members, our studios are staffed by creative and collaborative leaders empowered to continually push for better.

LOS ANGELES

KTGY Los Angeles is renowned for our Mixed-Use, High-Density Residential, and Urban Design with award winning communities located across the nation. The kinship, cooperative spirit, culture of giving and dedication to the community make this one of the best architecture firms to work at in Los Angeles.

POSITION SUMMARY

This fast-paced group of forward thinkers is seeking someone who lives to design, who gets excited by the challenge of designing for tight urban environments, and enjoys being the go-to person and motivator. As a leader, it is important to be both proactive as well as a skilled problem solver. Taking a design from concept through renderings, you must possess the skills to articulate your design and vision, both verbally and in writing. If you are ambitious, artistic, experienced, and looking to start with a company that nurtures creativity see below for more information!

Additional Qualifications:

- 6-10 years of industry experience
- 4 or 5-year Architectural degree or Masters of Architecture degree preferred.
- Ability to work on multiple projects and maintain effective communication and quality control.
- Demonstrated ability to plan, schedule, direct work of self and others.
- Understanding and proficiency using the following software:
 - Revit
 - AutoCad
 - Sketch Up
 - Adobe Suite
 - MS Office
