

Architectural Design Coordinator

Bastien and Associates, Inc., an international commercial architectural and planning firm located in Tustin, is seeking self-motivated individuals to join our growing team. The ideal candidates shall have the ability to work independently, as well as under the direction and supervision of others. Salary is negotiable.

We are looking for candidates with an architectural degree from a U.S. accredited institution.

Detail-oriented individuals with strong organizational skills and effective oral and written communication skills are preferred.

Strong proficiency in AutoCAD is essential. Familiarity with REVIT is a plus.

Please submit your resume with a cover letter via e-mail to hhouston@bastienarchitects.com.
