ARG is seeking a talented, well-rounded Intermediate Architect for a key position in our Downtown Los Angeles office. The ideal candidate has a commitment to design excellence and an interest in working on all phases of architectural projects.

The ideal candidate is a Licensed Architect who meets the following criteria:

- Possesses 8-10 years of experience in architectural practice;
- Has experience producing documents for all phases of design and in construction administration;
- Detail oriented with strong design and technical skills;
- Self-motivated and able to foster a positive and effective team environment;
- Has excellent communication skills and experience with direct client coordination;
- Has a working knowledge of building codes;
- Proficiency in AutoCAD, Photoshop, InDesign, SketchUp and MS Office (Word, Excel, Project); proficiency in Revit is a plus; and
- Is a creative problem solver who enjoys working on a diverse range of exciting projects in a collaborative environment.

ARG's practice is centered on the belief that the reuse of existing buildings plays a key role in creating dynamic, vibrant, sustainable and contemporary places. We are a collaborative studio that supports and encourages staff development and values the individual contributions of each employee.

Candidates must be a US citizen or hold a US work visa, and must be able to start work immediately. Qualified candidates should submit a cover letter, detailed resume, references, and work samples to [careers@argsf.com](mailto:careers@argsf.com) (Include "**ARG Los Angeles Employment**" in the email subject line). Please include salary requirements and availability.
