

Registered Architect

Location: Albuquerque, NM | Amarillo, TX

Experience: 3+ years

We are hiring a registered architect with a minimum of 3 years of experience. Strong design, technical production, organization, and project management skills are essential. Architectural license required, preferably in the state in which you're applying. Position requires effective communication skills, the ability to work in a collaborative team environment, and proven AutoCAD and Revit proficiency.

Dekker/Perich/Sabatini offers a fast-paced, stimulating work environment with flexible hours and a competitive benefits and salary package based on education and experience. We love our work and love to have fun. Great people and great work are what we are all about!

Relocation cost reimbursement available.

To apply for this position, please email hr@dpsdesign.org.

Application Materials: Cover Letter, Resume, References, Portfolio
