Torti Gallas + Partners

Los Angeles, CA

With a passion for urbanism, and commitment to making a better world, Torti Gallas + Partners, is searching for colleagues to join us in contributing to the urban evolution of Southern California and beyond. In light of our success, we are seeking a strong Project Architect experienced in the design and construction of residential and mixed-use buildings. Ability to work in a team setting is essential. We are looking for a graduate or professional degree, proficiency in Revit, AutoCAD, Sketchup and Adobe products. We desire a person with strong design skills and technical knowledge who is eager to grow, be challenged and participate in a process of architectural design that is inextricably connected to the city. This person will work directly with office leadership as well as clients and consultants.

6+ years of experience in the design and construction of residential and mixed-use buildings from design through construction administration. This is a full time position in our growing office in Los Angeles, California.

Salary is commensurate with experience, excellent medical benefits, Short and Long Term Disability, Life Insurance, vacation, holiday and sick leave.
