San Jose, CA

BYU Online High School Courses

2011-2012

Interior Design I

HIGHLIGHTED COURSEWORK

Resilient Infrastructure, Michael Ezban

Spring 2018

Course focused on the principals of sustainable integrated designs that provide infrastructural services, ecological and cultural benefits to the community

Architecture and Urban Seminar, Susan

Piedmonte Palladino

Fall 2017

Discussion and fieldtrip based class focusing on the pressing issues in the profession and built environment in the modern era

George Washington Parkway Study, Paul Kelsch

Fall 2017

Independent group study of historical planting plans along the Memorial Circle region of the parkway, just north of Old Town Alexandria. Study was paired with National Park Service to devise strategies for expressing historical and cultural data. Outcome was to help guide future developments within the site through interpretation of original design intent.

Auto CAD

Sketch Up

Lumion

STATEMENT OF INTENTION

Through my practice, I seek to be at the forefront of change instigated within the built environment- a change that challenges humans to become more engaged and present amongst each other and the larger global environment we are all part of. We cannot exist as isolated pieces-everything on earth is part of the same set of systems at work and we must use design to mediate and reconnect the parts of a whole.

WORK EXPERIENCE

Design Intern, Sanchez Palmer Architects

Alexandria, VA

January 30, 2018- August 2, 2018

Assisted Senior Architects in graphic development of projects, as-built drawings, onsite field studies, client meetings and correspondence

Sales Associate, Old Town Ace Hardware

Alexandria, VA

October 5, 2017- April 14, 2018

Provided friendly and helpful service to direct customer questions, completed cash register transactions, worked as a team member to ensure store was well maintained and stocked

Student Assistant,

Special Archives and Collections Cal Poly

San Luis Obispo, CA

September 21, 2016- August 3, 2017

Helped with various tasks within the department from upkeep of historical collections to oversight of front desk and main telephone. Scanned, researched materials, and uploaded documents to continue digitization efforts of materials for public access

Cashier, Miner's Ace Hardware

San Luis Obispo, CA

May 14, 2016- September 8, 2016

Worked at register to complete customer transactions, provided consistent customer service, answered and directed phone calls, sorted and shelved merchandise returns

Camp Coordinator, APJCC

Los Gatos, CA

June 15, 2015- August 14, 2015

Planned and executed various leadership training activities for children in 7th- 8th grade. Supervised 10-15 children at the camp facility and during weekly off campus fieldtrips
