Architectural Designer / Job Captain

Jules Wilson Design Studio is a boutique firm specializing in innovative and memorable design. We work in a variety of sectors including luxury residential, multi-family, hospitality, and fitness.

Our studio environment is open, flexible, and emphasizes collaboration. The ideal candidate must have a strong and proven technical skill set along with a thoughtful and creative design sense. The candidate must be a team player who is effective at collaborating with colleagues and clients, self-motivated and able to complete deadlines.

We are located in Downtown San Diego’s East Village and offer competitive salaries and a comprehensive benefits, including medical, dental, vacation, and 401(k).

Duties include:

- Develop and produce project conceptual, schematic, design development, and construction documentation.
- Perform quality control of work produced
- Assist with the coordination of project engineers and consultants
- Assist with construction administration, including RFI’s, Submittals, and ASI’s.

Qualifications include:

- Architectural degree from an accredited program
- 5-7 years of relevant experience in an office setting
- Proficiency in Revit, including 3-4 years of recent BIM experience in a work environment.
- Knowledge of building codes, DSA requirements, building structures, and other applicable regulations.
- Knowledge of City permitting processes.
- Knowledge of Sketch-Up and Adobe Creative Suite.
- Organized and detail oriented
- Excellent communication skills.
