Job Title:
Job Captain and Project Architect

Firm Name:
Ted Tokio Tanaka Architects (TTTA)
11307 Hindry Avenue, Suite C
Los Angeles, CA 90045

Job Location:
Los Angeles, Westside

Job Description:
Ted Tokio Tanaka Architects is seeking a self-motivated and talented Job Captain and Project Architect to join our firm in Los Angeles on the Westside. Our firm is in a form of a design studio and offers a team-oriented approach towards creating comprehensive and responsive solutions to our clients’ needs through integrated services in building design, transportation-oriented design and urban design. The positions have opportunity for long-term growth and leadership with our firm.

About Us:
Ted Tokio Tanaka Architects is an award-winning, full-service architectural firm and has been recognized for Architecture, Transportation and Urban Design projects. In the past decades, the office has received many prestigious design awards and honors and has been widely published throughout four continents. Currently the primary specialization is in transit-oriented and commercial projects. Projects include Los Angeles Metro Westside Purple Line Extensions, Regional Connector Transit Project, LAX Lighting Pylons, urban design, TOD (transit-oriented developments) and transportation planning.

Contact Information:
If this sounds like a place for you, please email us your resume and portfolio to yojok@ttta.com and please indicate the subject line as “Job Captain” or “Project Architect” Position.
Job Description:

**Job Captain**
Experienced Job Captain who is team-oriented, proficient in BIM and actively seeking licensure.

Job Requirements:
- Self-motivated designer and coordinator capable of leading a design team under the guidance of project architect and project manager.
- Proficient in BIM – Revit/AutoCAD.
- Experience in SD, DD, CD and Contract Administration phases.
- Comprehensive understanding of codes and ordinances.
- Prepare solid and well-coordinated Design and Construction Documents.
- B. Arch. or M. Arch.
- 5+ years of experience under licensed architects depending on qualification.
- Professional Architectural License pursuit.
- Experience in transit station design is a plus.
- Salary Range: $100,000 to $120,000. Salary will be based upon qualifications and relevant experiences.

**Project Architect**
Licensed Architect who is experienced in multi-discipline projects and proficient in BIM.

Job Requirements:
- Capable of assuming a role of lead architect interfacing with clients and engineering teams and overseeing project design team.
- Proficient in BIM – Revit/AutoCAD.
- Experienced in SD, DD, CD and Contract Administration phases.
- Comprehensive understanding of codes and ordinances, such as CBC, NFPA and ADA.
- B. Arch. or M. Arch.
- 8+ years of experience as a Project Architect or equivalent and is licensed in the State of California.
- Experience in transit station design is a plus. It is not a requirement for this position, but a strong advantage.
- Self-motivated with exceptional ability to work with a multi-discipline design and engineering team.
- Salary Range: $120,000 to $140,000. Salary will be based upon qualifications and relevant experiences.
