

Warwick Group, specializing in high-end residential architecture and construction, is looking for a full-time intern for 6 months in duration. The intern will be interacting with our team of AIA architect and architectural designers. Our architect was a former teacher at UCLA in architectural design for 25 years. This is a phenomenal learning opportunity. \$20.00 per hour. In-office job with paid parking.

Responsibilities:

- Keeping current architectural/ construction schedules such as appliances, plumbing, tile design, paint selections, cabinetry, and hardware etc.

Skills and Requirements:

- Must be able to work without sponsorship in the US and have own transportation.
- Design background
- AutoCAD, Sketchup, Adobe Suite, Microsoft Suite including Outlook, PowerPoint, Excel.
- Excellent communication and interpersonal skills

If interested, send resume to kim@warwickgroup.net
