## PROFESSIONAL SUMMARY

- I am a hard working and detail oriented young professional, with over two years of experience in project management. I’m also experienced in developing working construction documents, reviewing RFI’s, shop drawings, and addendum issuing. With over 5 years of experience in using software such as AutoCAD, Revit, and SketchUP, I’m passionate about creating meaningful and functional spaces that enhance the surrounding community. Hobbies include drawing, photography, and 3D modeling.

## WORK EXPERIENCE

### Architectural Project Manger

Stengel-Hill | *Louisville, Kentucky* **May 2023 - June 2025**
