PROFESSIONAL EXPERIENCE

Assistant Teacher | Southern California Institute of Architecture (SCI-Arc),
Los Angeles, USA

January 2026 – Present

- Assist with architecture studio instruction by supporting students in design development.
- Provide feedback on drawings, models, and digital work aligned with course objectives.
- Create tutorials and technical resources for 3D modeling and 3D printing workflows.
- Support critiques, reviews, and course activities in collaboration with faculty.

Junior Architect | Ideas Jaipur,
Jaipur, India

August 2021 – August 2022

- Produced construction drawings, plans, sections, and interior layouts for hospitality and residential projects.
- Created detailed 3D models and visualizations for design reviews and client representations.
- Coordinated with structural and MEP consultants and participated in site visits to track progress.
- Assisted senior architects with concept development, materials research, and presentation documentation.

Architectural Intern | Ideas Jaipur,
Jaipur, India

January 2021 – May 2022

- Drafted construction drawings, interior details, and 3D design studies for ongoing projects.
- Helped prepare presentation materials and worked on multidisciplinary project workflows.
