Salary 68K – 75K based on the experience.

At Enclosures Architects we believe that Architecture is a living space, creating buildings and interiors that supports and nurtures human life. Based in Mid-City area of Los Angeles, we are always striving to develop solid partnerships through shared creativity, vision, and commitment. We are within walking distance of the Grove, LACMA, and public transportation.

Enclosures Architects' offers a benefit package including medical, paid holidays, and paid time off. Enclosures Architects’ is a highly collaborative office where architecture and interiors are closely integrated throughout the design process. With weekly discussions and monthly office meetings fueling shared team creativity, we make working collaborative and interesting.

The Job

Enclosures Architects is currently seeking an Intermediate Architect with 3+ years’ experience who shares our passion for thoughtfully designed spaces.

Your Experience

Enclosures Architects is currently seeking an intermediate Architect with 3+ years' experience working on High End Residential projects. We’re looking for a strong self-directed professional that can work with staff through schematic design, design development, and construction documents, correcting and updating drawings, provide assistance to project teams and other staff members as required. Bachelor’s Degree with strong skills in Revit & Rhino is required.

Your Profile

- 3+ years’ experience in architectural design, technical drawing, project management, and 3D modeling.
- Bachelor’s and/or master’s degree in architecture or equivalent
- Experience with Revit, AutoCAD, and Rhino
- Excellent presentation and communication skills including graphic, oral and written communication

Your Passion:

- Working both independently and in a collaborative team environment.
- Creative problem-solving
- Sustainable design – including innovative use of materials
- Building long-lasting relationships with clients and colleagues
What We Can Offer You:

- Collaborative, fun, engaging environment with high-quality design.
- Small firm environment allows you to play a larger role on projects and stay on projects from the start of design to completion.
- Office in Mid Mid-Wilshire
- Walking distance to many different public transportations, The Grove, 3rd St., and Beverly Blvd. shops and restaurants. Being part of Rita house a community based co working space with many interesting and fun in house programs and activities.
- Benefits package including medical, paid holidays, and paid time off
- Long weekends, working hours 8am-6pm Monday-Thursday including one hour lunch, and 8am-12noon on Fridays.
- Dog-friendly office
