

Levin & Associates Architects
Los Angeles
Senior Design Architect

Levin & Associates, an internationally recognized and award-winning firm, founded in 1980 by architect Brenda A. Levin, FAIA, is seeking to hire a **Senior Design Architect** to join our team.

We are looking for a creative, dedicated, and hard-working licensed professional with at least 10 years of experience. The successful candidate will have a solid, well-rounded background in design, construction document production and detailing, as well as proficiency in Auto CAD 2014, Adobe Creative Suite, Sketchup and REVIT, and can lead a project, manage a team of consultants and mentor junior staff.

Among our current projects are new buildings and infrastructure work at Dodger stadium, an adaptive re-use and new Teaching/Learning Lab building at a progressive private high school, and the re-imagination of an iconic performing arts venue. Expertise in these building typologies will be beneficial.

We offer a competitive salary and excellent benefits.

Interested applicants should send an email including resume and relevant work examples (PDF files) to info@levinarch.com. Reference Senior Design Architect position on the subject line.
