

**Position Title:** Architectural Job Captain  
**Company Name:** Huitt-Zollars, Inc. / Architects  
**Location:** Glendale, California, United States 91203

**Job Description:**

**Huitt-Zollars' Glendale, CA** office has an immediate full-time **Architectural Job Captain** opportunity. This role provides architectural design on entertainment theme park projects from inception to completion in a fast-paced collaborative environment. The successful candidate will be able to easily take a project from inception in Rhino and simultaneously model in REVIT. They are adept at visualizing in 3D and clearly conveying designs to other project team members and clients.

This is a great opportunity for an Architectural Job Captain to further their experience at an award winning design firm and work collaboratively with a fantastic team of architects.

HZ is a leading full-service design firm providing innovative planning, engineering, architectural design, construction and program management, and design-build project delivery to our clients in the public and private sector. We provide quality solutions for our clients and employment opportunities to qualified talent.

**Responsibilities:**

- Work with project team in the design and development of theme park projects.
- Prepare designs for theme park projects from inception in Rhino and simultaneously model in REVIT.
- Present and model at meetings using Rhino, Revit, Navisworks or BIM 360 Glue.
- Manage meeting notes and coordination of consultant teams.
- Ensures adherence to project schedules, billing, and technical design specification
- Visit project sites under the direction of a supervisor and assist with the documentation of findings.
- Research materials, assemblies, or building codes for appropriate incorporation into design and construction drawings as directed by a supervisor.
- Integrate information from consultants and suppliers into Revit Models for documentation
- Assist in the processing of contractor submittals and RFIs by logging in the documents and routing them to the appropriate party for review.
- Assist or prepare graphic materials for presentation or documents
- Select and prepare material finish boards/binders
- Light travel to construction job sites and client meetings if needed.

**Requirements:**

- Minimum 5 years of experience
- Bachelors' Degree in Architecture
- Proficient in Rhino, REVIT, Navisworks, BIM 360 Glue
- Ability to model in a fast-paced environment
- Excellent verbal communication and presentation skills
- Solid design skills and knowledge of architectural detailing
- Previous theme park experience a plus

We offer a competitive benefit and compensation package for full-time employees which includes medical, dental, vision, life, long/short term disability plans and two retirement plans: 401(k) & ESOP. Please apply online at: <https://external-huitt-zollars.icims.com>

**Job ID No: GLEN010**
