

Of course you're skilled, motivated and creative – you're in the architectural profession.

What we at Jeannette Architects want to know is: What makes you Exceptional?

We're looking for a full time Job Captain to join our residential firm in Long Beach, California.

We count on the standard skills:

- 5-years experience Minimum
- Licensed or on the path to licensure
- Bachelor from Accredited Architecture school
- Revit Proficient
- Design and Construction Intelligent
- Presentation Ready
- Well-Versed in Residential Client Interaction
- Candidates should be local residents or with plans for relocation and authorized to work in the United States

We know your resume will highlight your accomplishments; we want to know how you'll strengthen our team and add more to what we give homeowners.

If this challenge is something you're up for, we want to hear about you.

Please send resume and portfolio, no larger than 5 MB, to Roberta Jeannette at hire@jeannettearchitects.com, with "Job Captain" in the subject line.
