Firm Name - TCA Architects

City Position is Located In - Los Angeles, CA, USA 90017

Firm Profile:

Founded in 1993, TCA Architects specializes in the planning and design of next generation, high density multifamily housing, retail, mixed-use and signature hospitality developments taking pride in helping shape quality environments for everyone. The firm's collaborative approach and industry leading technological expertise have resulted in award-winning, sustainable projects that respect our communities and the environment. With studios in Irvine, Los Angeles and Oakland California, TCA has been recognized for their industry leading expertise in master planning and design for a variety of multifamily, hospitality and mixed-use projects.

Salary Range - DOE

Job Description:

PROJECT MANAGER - Los Angeles

We are looking for a Project Manager (PM) to work directly with our Studio Director (SD) to direct a project team in the schematic design process, throughout the production of contract documents, and into construction administration. In addition to the SD, the PM will collaborate with designers and other project teams, as well as our internal Quality Control team, to efficiently deliver the design intent of the project. Tasks include oversight of the complete contract documents, including redlining drawings and specifications, monitoring of budgets and billings, preparation of additional service requests, coordination and management of consultants, and training and mentoring of the documentation team.

Position Location:

- The Project Manager will be located in our downtown Los Angeles office.

About TCA Los Angeles:

TCA's Downtown Los Angeles studio is within walking distance to numerous acclaimed restaurants, a burgeoning retail scene, the Fashion District, Staples Center, the Convention Center and Nokia's LA Live. Lead by TCA Principal Eric Olsen, the staff enjoys its role as part of the vibrant urban environment. For those that live outside downtown, the studio has convenient access to wide variety of public transportation such as the Metro system just blocks from the front door, as well as nearby Amtrak and Metrolink stations. And, with the boom of residential housing in the area, many of the team members have chosen to live and work and play right in the heart of Downtown LA!

Benefits:

TCA offers a comprehensive benefits package including medical, dental, vision, 401K, short and long term disability, life insurance, paid holidays, vacation and paid time off. We also offer bonus opportunities and the opportunity to work a flexible schedule with half days on Friday.

As part of our commitment to our staff's professional development, TCA provides a full library of IDP materials to train and expose young professionals to various areas of architecture and become more well-rounded Architects as they prepare for licensure. TCA also reimburses for successfully completed ARE tests, as well as CA licensing fees.

TCA provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, national origin, age, sexual orientation, disability or genetics.

Job Requirements -

Qualifications:

Minimum 8 years of architectural experience with 6 years of experience working on multi-family projects required

Knowledge of Revit required

Construction administration experience preferred

Excellent organizational skills and an ability to prioritize and multi-task

Education:

Bachelor's degree in Architecture required

California licensed Architect preferred
