

Job Title: Intermediate Designer

Firm Name: La Cañada Design Group

Location: Pasadena, CA

Firm Profile: LCDG is a Pasadena based architectural firm with a 35-year legacy of exceptional architecture and client service. The office is located in northeast Pasadena, in a mid-century modern building on a tree-lined street. Our projects are varied, and include educational, healthcare, commercial, entertainment and light industrial. We take pride working with clients that seek a meaningful and lasting social impact.

Our staff are not pigeonholed, but are exposed to the broad range of experiences needed to become a well-rounded architect. Our firm includes training, licensure support, and exposure to all facets of the architectural process. While we work hard, the firm's work ethic promotes a balance of life and career. We take pride in our creative, yet family-friendly and sociable office culture, with flexible hours and half-day Fridays.

Salary Range: Competitive salary commensurate with experience and capability plus benefits including medical, life insurance, two weeks vacation, and paid sick leave.

Job Description: LCDG is looking for an energetic architect-trained full-time intermediate designer, to work with talented professionals on a diverse array of projects. We offer the right candidate a unique opportunity for growth in a collaborative and nurturing environment.

Job Requirements:

- Work Under the Direction of a PM/PA and/or Principal
