Job Title: Architect / Designer II

Firm Name: Houston/Tyner, A Professional Architectural Firm

Location: Torrance, Ca.

About Us: Houston/Tyner is a full-service architectural firm focusing on hospitality, commercial, and institutional venues. Our unique studio office space invites a culture of innovation and ingenuity. As our portfolio expands, so does our need for dynamic and talented individuals who share our passion for design and architecture.

Salary Range: Negotiable, depending on skillset and experience. We offer full time positions and have a comprehensive health insurance program, 401k and profit-sharing benefits, personal time off (PTO), sick days, and holiday benefits.

Job Description: The Architect/ Designer II will work with, and take direction from, a Principal Architect. Must have 10 or more years of experience, licensed or unlicensed, with a diverse knowledge of architectural principles and practices. Candidates must be responsible for finished plans, specifications, and material approval. Candidates may supervise a small staff of architects and technicians. Apply sound and diverse knowledge of architectural principles and practices in a broad array of assignments and related fields. Act independently regarding architectural methods and complexities. Develop planning and creative-design concepts for projects. Prepare presentation and design drawings and details.

Job Requirements: Proficient in AutoCAD 2013 or higher, REVIT, and MS Office. Must have 8 + years of architectural experience, preferably in the sectors noted above.

Contact Us: Please send your resume in word or PDF format to htarch@houstontyner.com. Thank you.
