

Job Title: Architectural Associate II

Employer: Michael W. Folonis Architects

Location: Santa Monica, CA, US

Type: Full-time, Salaried

Michael W. Folonis Architects is a highly recognized, award-winning architectural design studio located in Santa Monica. Project typologies include high-rise, mixed-use, commercial, multi-family housing, and healthcare. We are seeking talented individuals who want to take charge and fast-track their architectural experience. This is a full-time salaried position with benefits and is available immediately.

Benefits:

- Two weeks paid vacation including the week the office is closed between Christmas and New Years, three weeks the second year, one additional day per year after that
- 9 paid holidays (one of your choice), 5 sick days
- Paid medical
- 401K plan paid by the company, no employee contribution required
- Transportation bonus for taking public transportation or ride-share
- Flexible working hours with four nine hour days per week, eight hours Friday and every other Friday off
- Strong continuing education support, paid ARE examinations
- Kitchen with espresso maker

Required Qualifications:

- Bachelor or Masters of Architecture from an accredited institution
- 2 + years of full-time relevant work experience
- Communicate ideas eloquently in speech and writing
- Excellent graphic / visualization / rendering / presentation skills
- Full proficiency in 3D modeling, 2D drafting and Adobe Suite
- Digital fabrication tools: 3D printing, laser cutting and cnc processes
- Powerful architectural portfolio
- Good construction document skills
- Knowledge of environmentally sensitive and sustainable building systems
- ArchiCAD experience preferred, Revit experience helpful
- Candidate must be actively working towards licensure

Interested individuals should provide a cover letter, resume, and portfolio [5mb max.] to jobs@folonisarchitects.com. Salary is commensurate with experience and qualifications. We are only accepting applicants who have authorization to work in the US.
