

Urban Designer/Planner
Torti Gallas + Partners, Inc.
Los Angeles, CA

As Architects of a Better World, Torti Gallas + Partners' work transforms places into environmentally, economically, and socially sustainable communities. We are passionate about exploring the inextricable link between architecture and urban design and are actively researching the health impacts of our planning efforts. We are looking for an Urban Design professional to help our Downtown Los Angeles office with this task. The ideal candidate will have 3-6 years of experience in an urban design/planning setting, a knowledge of building types and form-based codes, and a love of walkable urbanism.

Interest and willingness to travel and work on-site and engage with impacted communities on week-long design charrettes is highly desired. Ability to collaborate with city officials, private developers and other allied professionals in a team setting is essential. We are looking for someone with a professional degree, proficiency in Revit, AutoCAD, Sketchup and Adobe products. We desire a person with strong design skills and technical knowledge who is eager to grow and be challenged.

This is a full time position in our Los Angeles, California office.

Salary is commensurate with experience, excellent medical benefits, Short and Long Term Disability, Life Insurance, vacation, holiday and sick leave.
