

## **Project Architect – Culver City, CA Play – Resort/Hospitality Full time**

Cunningham Group, an award-winning architecture firm with 8 offices around the world, is seeking a Project Architect in our Culver City office. Candidates should have seven to fifteen years of experience preferentially with a focus on hospitality project types for our Resort Hospitality Studio. The ideal candidate is a collaborative team leader, highly motivated, and ready to join our team and contribute to the success of the firm.

Qualified applicants should submit a resume, portfolio and cover letter detailing their experience.

### **What you will do**

- Integrate design, technical, and management disciplines, to deliver a fully coordinated set of drawings through a collaborative team-based process working closely with internal client groups.
- Develop project documents for bidding and construction.
- Provide input to the design and construction schedule – communicate the technical implication of design decisions.
- Organize and direct the architectural team to execute the work in an orderly, timely and coordinated manner.
- Coordinate directly with clients, project consultants and local jurisdictions to develop full construction documents and specifications.
- Provide support for any tasks required for the successful completion of the project.
- Provide clear team leadership, mentorship, and collaboration with the client and all consultants.
- May require some travel.

### **What we look for**

- Bachelor/Master's Degree in Architecture.
- Seven to fifteen years of experience, with multifamily high rise and assisted living building experience preferred.
- Strong design sensibilities and experience with creative direction.
- Proficiency in Revit and Office 365 required. Skills in other software such as Bluebeam, Adobe Creative Suite, Revit C4R, Glue, Deltek Vision, etc. are ideal.
- Familiarity with BIM 360.
- Deep knowledge about major building systems and a strong background in detailing is desired.
- Willingness to work closely with project designers and project managers, and lead a large team.
- Ability to mentor staff with less experience.
- Ability to thrive in a fast paced and dynamic environment.
