WITH MULTI-FAMILY HOUSING AND MIXED-USE EXPERIENCE

Visit us at www.vtbs.com

Van Tilburg, Banvard & Soderbergh, AIA ("VTBS Architects") is an award-winning architecture and planning firm with offices in Santa Monica, San Jose, and Denver, Colorado. We are a recognized leader in the design of high-density multi-family residential, senior care, commercial and mixed-use projects. We currently have an opportunity in our Santa Monica location for a well-rounded individual who meets the following qualifications:

- 8-10 years minimum experience in Type-I Mid-Rise, Type-III & Type-V Multi-Family and Mixed-Use projects in Southern California.

- Design and production experience, from coordinating conceptual design through contract documents and construction.

- Assists in the management of projects, staff, consultants and Client liason. Able to complete projects on schedule.

- Working knowledge of California Building Codes, construction types, ADA/FHA.

- Working knowledge of building permit processes at the City of Los Angeles Department of Building & Safety and the Los Angeles Fire Department.

- Able to communicate effectively both verbally and in writing.

- AutoCAD skills are required and the Building Information Management Program (BIM) skills are preferred.

- Experience with Microsoft Office.

- Licensed Architect and Accredited Degree in Architecture desired.

- Current resident of the Los Angeles area or relocation plans preferred

- Permanent U.S. Work Status preferred

- Salary commensurate with experience
