Job Title: Designer I  
Employer: Michael W. Folonis Architects  
Location: Santa Monica, CA, US  
Type: Full-time, Salaried

Michael W. Folonis Architects is a highly recognized, award-winning architectural design studio located in Santa Monica. Project typologies include high-rise, mixed-use, commercial, multi-family housing, and healthcare. We are seeking talented individuals who want to take charge and fast-track their architectural experience. This is a full-time salaried position with benefits and is available immediately.

Benefits:
• Two weeks paid vacation year one, three weeks year two, one additional day per year after that  
• 9 paid holidays (one of your choice), 5 sick days  
• Paid medical  
• 401K plan paid by the company, no employee contribution required  
• Transportation bonus for taking public transportation or ride-share  
• Three-day weekends: work nine hours Monday to Thursday, eight hours Friday and take every other Friday off.  
• Strong continuing education support with paid ARE examinations  
• Kitchen with espresso maker

Qualifications are:
• Bachelor or Masters of Architecture from an accredited institution  
• 5 + years of full-time work experience  
• Knowledge of local codes and the CBC  
• Experience and knowledge of architectural design, drafting, detailing  
• Proficiency in conceptual design and presentation  
• Strong construction document skills  
• Experience with Type I, III, V construction and mixed-use projects  
• Participation in all phases of architectural practice  
• Developing architectural planning and design concepts under the direction of the senior project architect  
• Preparing project presentation materials, diagrams, renderings and graphics  
• Production of architectural drawings and documentation

Interested individuals should provide a cover letter, resume, and portfolio [5mb max.] to jobs@folonisarchitects.com. Salary is commensurate with experience and qualifications. We are only accepting applicants who have authorization to work in the US.
