
At PCL, you are more than just an employee. You could be part of a team that works hard, plays hard, and makes a difference in your community. PCL offers competitive compensation packages, and a chance to be an owner in our 100-percent employee-owned company. We not only reward you financially, but give you challenging assignments and a supportive work environment which promotes personal and professional growth.

Whether you are looking for a corporate or construction career, exciting opportunities are waiting for you. Our people have helped us stand out as a leading general contracting organization, which is why we are always looking for new talent—individuals who can bring innovative solutions and thinking to every project.

We are seeking an experienced **Graphic Designer / Visualization Specialist** for our **California Buildings** district office located in **Glendale, CA**.

**Responsibilities:**

- Layout, design and produce sophisticated graphic design artwork, applying in-depth knowledge of graphic design software and techniques
- Design collateral including print, direct mail, corporate identity, proposals, icons, infographics, large format graphics, presentation, multi-media pieces and various other items
- Manage project from concept to completion, while incorporating input from key stakeholders
- Conceptualize and translate ideas into visual elements
- Develop visual design for advertisements
- Serve as a champion and leader for the PCL brand
- Create and present storyboards for collateral development
- Primarily creates original designs using design programs such as Adobe Illustrator, Adobe Photoshop and Adobe InDesign
- Work as a member of a larger marketing team to provide graphic support for communications, general marketing, and business development projects
- Work with a variety of project- and department-specific graphics requests
- Work directly with vendors to bring collateral and branding ideas to reality

**Qualifications:**

- Bachelor of Arts or Associate degree with emphasis in graphic design or related field
- Minimum of three years related experience and/or training
- Exceptional design aesthetics with type, color and page layout design
- Proficiency in the Adobe Creative Suite, specifically InDesign, Illustrator and Photoshop
- Advanced knowledge of developing presentations in Microsoft PowerPoint
- Experience with videography and editing a plus
- Excellent organizational skills and ability to multi-task
- Detail-oriented
- Effective time management skills
- Ability to work well with others at all levels within an organization
- Knowledge of the architectural, engineering and/or construction industry a plus

The PCL family of companies are consistently ranked among the best companies to work for, and we aspire to be the most respected builder, renowned for excellence, leadership, and unsurpassed value.

Let us help you build your **Legacy** today.
