Designer – Multifamily/Structured Parking Studio

About us:
Since its founding in 1974, Architect’s Orange (AO) has evolved from a two man single office to an award winning full service firm spanning a campus of five buildings, an engaged staff of 265+ souls and 9 Studios (Multifamily, Restaurant, Retail, Structured Parking, Commercial, Mixed Use, Hospitality, Landscape and Industrial/Office). Just like Historic Old Towne Orange where we are located, AO is family focused, hardworking and built to last. We value service, our people, a roll up your sleeves attitude and continuous improvement. If you are young in your career, come grow with us. If experienced, come get better with us. There is no one like you, and there is no place like Architects Orange.

Recent Awards (since 2016): 3 Gold Nugget Grand, 11 Gold Nugget Merit, 7 BALA awards and more.

Core Expectations:

• Based upon direction given by Client, Senior Designer, or other senior staff, develop to completion the design drawings, tabulations, documents, and other services as required for the assigned project(s). This typically includes the actual drawing of schematic and detailed site plans, floor plans, building images, building elevations, materials selections, color selections and other aspects of the design and presentation process.
• Assist in the preparation of the drawings, sketches and related documents to accurately represent the project to the client, approving agency, contractor in sufficient detail to allow the subsequent preparation of project construction documents and specifications by other AO technical staff.
• Design Team Interaction:
  o Coordinate project design efforts with the other senior staff and members of the design team.
  o Assist senior staff in the scheduling of project and individual tasks.
  o Present, discuss and receive design review comments from Senior Designer and other senior staff on assigned projects / tasks.
• Must possess exceptional scheduling, prioritization and coordination skills
• Specific knowledge of the following programs is required: AutoCAD, Revit, Adobe Acrobat, Microsoft Office Professional programs including Word, Excel, Outlook, and others.

Some things we’d love to see:

• Familiarity with Revit
• Multifamily experience a plus, but not essential
