

Senior Architectural Designer

FSY Architects, a Los Angeles architectural firm focusing on affordable multi-unit residential, commercial, and cultural-arts projects, seeks a Senior Architectural Designer. We are searching for highly motivated individuals who are willing to take on responsibility and grow with our team.

Candidates must possess the following:

- A degree in Architecture from an accredited college
- 7-10 years of professional experience
- Proficiency in Revit
- Strong design, layout, detailing, sketching and graphics skills
- Experience in Construction Documentation
- Ability to manage diverse tasks
- Excellent communication and organization skills
- Ability to work collaboratively
- Experience in client and consultant interface

Candidates should have project experience from design through construction documentation and construction administration. The position has potential for professional growth.

To apply, please email your cover letter, resume and professional work samples to jobs@fsyarchitects.com.

Files should be .pdf format, no more than 5 MB.

No telephone calls please.
