f.) Job Description:

INTERIOR DESIGNER - Intermediate

TCA Architects specializes in the planning and design of next-generation, high-density multi-family housing, mixed-use and signature hospitality developments taking pride in helping shape quality environments for everyone. The firm's collaborative approach and industry-leading technological expertise have resulted in award-winning, sustainable projects that respect our communities and the environment.

An Interior Designer at TCA is passionate about design. The designer will work directly with the project team leaders and will focus on assuming responsibility of the design and documentation of interior design projects. The designer will begin to take responsibility for designing, and coordinating high-density, multifamily projects with direction and oversight. The Intermediate Interior Designer's role will vary depending on the specific nature and size of the projects.

The successful candidate must have the ability to express oneself clearly and concisely, both verbally and in writing, and communicate ideas in presentations to firm leaders, team members and clients. An exceptional portfolio representing recent work is required to be presented during the interview.

Responsibilities:

- Collaborate, assist and initiate ideas and design concepts with the project team.
- Generate design sketches, space planning, floor plans and elevations to facilitate design concepts.
- Prepare presentation materials and sample boards.

- Present designs to clients and consultants as needed.
- Produce hardline set in Design Development and Construction Documentation phases.
- Collaborate during Construction Administration Phase.
- Develop detail library for the Interior Design Department.
- Coordinate and interact with architects, various consultants and vendors throughout the projects.
- Source items, price and research materials.
- FF&E documentation.

Qualifications:

- Interior Architecture / Interior Design Degree
- Minimum of 6 years' experience in large scale projects.
- Multifamily, high-rise, mid-rise, affordable housing, student housing and mixed-use project experience are preferred.
- Skilled at programming, space planning, furniture layout, reflected ceiling plans and elevation development.
- Be knowledgeable in sourcing materials, finishes and furnishing.
- Experience and familiarity with custom fabrication.
- Extensive experience with Microsoft Suite, Adobe Suite, SketchUp, Enscape, AutoCAD and Revit.
- High-level of attention to detail and follow up.

Education:

- Minimum Bachelor's degree required.

Position Location:

- The Interior Designer will be located in our downtown Los Angeles office, however currently our Team is working from home due to COVID-19.

About TCA Los Angeles:

TCA's Downtown Los Angeles studio is within walking distance of numerous acclaimed restaurants, a burgeoning retail scene, the Fashion District, LA Live, Southpark, and the Arts District. TCA has convenient access to Metro, provides

free structured parking, and offers monthly transportation stipends. Many of the team members have chosen to live, work and play right in the heart of Downtown LA!

Benefits:

TCA offers a comprehensive benefits package including medical, dental, vision, 401K, short and long term disability, life insurance, paid holidays, vacation and paid time off. We also offer bonus opportunities and the opportunity to work a flexible schedule with half days on Friday.

TCA provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, national origin, age, sexual orientation, disability or genetics.
