

March 31, 2021

**Project Architect:**

The position is full-time from our office in Agoura Hills, settled into the foothills of the Santa Monica mountains.

Applicant's qualifications ideally include:

1. A California Architects License.
2. 4-8 years of professional and design related experience, bonus if experienced with educational projects.
3. Current residence in LA or Ventura County, ability to visit construction sites.
4. Joy in organized workflows and works cleanly in Revit.
5. BIPOC and LGBTQIA enthusiastically encouraged to apply.

We pay competitively for excellent and detail-oriented work. The full-time position includes health insurance benefits, paid holidays, vacation time and retirement contributions.

**About AWA:**

AWA is a boutique architecture firm specializing in educational projects in Southern California, from early education to university level buildings and facilities. AWA is celebrating 30 years in business, originally founded by Jean Amador, AIA in 1991, a SCIARC alumnus.

Please email your resume, cover letter, and samples of your professional work, option to include your most influential academic project (5mb maximum in PDF format) to [jean@awaarchitect.com](mailto:jean@awaarchitect.com). (\*\*Please also include an informal short blurb about yourself and what your dream project is in the email. We appreciate and notice your attention to detail on all applications.)
