

Looking for a Project Architect / Manager to join us at TOLO Architecture (Peter Tolkin + Sarah Lorenzen Architecture)

We are looking for a highly motivated Project Architect / Manager to work with us on a variety of high-end residential, mixed-use/commercial, and arts-related projects. Our office is located in downtown Los Angeles.

Candidate should have strong technical and design skills, and be capable of managing multiple projects under the supervision of the Design Principals. Candidate should have five years minimum construction documents experience and have an interest in non-standard design and construction detailing.

TOLO Architecture is an award-winning architecture firm located in Downtown Los Angeles. Our project portfolio includes single-family residential, mixed-use and commercial projects, and arts-related installations. For more info visit: [toloarchitecture.com](http://toloarchitecture.com)

#### Desired Qualifications:

- Professional Bachelor or Master of Architecture degree
- 4-6 years of full-time work experience, including experience putting together Construction Documents and processing documents with the building/planning department.
- Excellent verbal and written communication skills, fluency in English.
- Skilled in the use of Revit, AutoCAD, Adobe Creative Suite, and Rhino.
- Currently lives in greater Los Angeles (Note: we do not provide sponsorship for international applicants).

Please include a resume, relevant work samples, the names of 2-3 references with contact info, and salary expectations as a pdf document (10 mb maximum) in an email addressed to: [info@toloarchitecture.com](mailto:info@toloarchitecture.com)

Please write "Project Architect Position at TOLO" in the subject line.

Salary will be commensurate with ability and experience.
