

**POSITION AVAILABLE: PROJECT ARCHITECT/SENIOR DESIGNER with 8+ YEARS EXPERIENCE**

DUMICAN MOSEY Architects is an award-winning architecture and design firm located South of Market specializing in high-end, design-oriented, modernist residential projects throughout the Bay Area. We are seeking a talented and motivated individual to join the team and work with us on a variety of exciting projects.

We have an opening for a Project Architect/Senior Designer who is creative, organized, articulate, and team-oriented. The candidate must have a minimum of eight (8) years of architectural experience, a strong technical background, and familiarity with Type-V construction. Strong design skills are paramount. In-depth Construction Document Phase experience and Construction Phase experience is a plus.

Position Available: **Project Architect/Senior Designer**

Qualifications & Requirements:

- Education: A professional degree in architecture.
- Experience: 8 years (minimum) of experience with an architectural firm. Must have the following experience and abilities: strong design and problem-solving skills, code analysis, and wood frame construction. High-end residential projects and experience in San Francisco is a plus.
- Architecture license is a plus, but not required.
- Technical: Must be proficient in AutoCAD and Revit. Familiarity with Sketch-up, Adobe Suite (Photoshop, Illustrator, In-Design), MS Word, MS Excel, and 3D modelling software is desirable. Must be familiar with working within office-environment CAD Standards & Systems.
- Design: Excellent design sensibility and a strong portfolio is a must. Knowledge of Modern-, technical detailing is required.
- Attitude: must be energetic, positive, team-oriented, and personable. Strong organizational and communication skills, attention to detail, and the ability to manage one's own time is paramount.

Compensation: Based on qualifications.

Benefits: Health Insurance plan coverage, 401(k) Retirement plan, Commuter benefits, paid holidays & PTO are offered for full-time employees. Financial reimbursement is available for licensure. Hybrid office/home work environment.
