

ARCHITECTURE + URBAN DESIGN

JOHNSON FAVARO

Architect & Project Manager

Johnson Favaro, an award-winning design firm in Los Angeles is seeking a licensed Architect and an unlicensed Project Manager to join our Los Angeles based team.

About Us:

Steve Johnson and Jim Favaro founded the architecture practice Johnson Favaro in 1988 in Culver City, CA with a commitment to the public realm, where they believe architecture has the greatest impact and is most appropriately experienced.

For over thirty years Johnson Favaro has focused their work on schools, libraries, and community centers, as well as cultural and civic institutions. The firm is founded on the principle that high quality and inspiring architecture in support of the social infrastructure of which these institutions are a part is crucial in the advancement of our democracy and civil society.

Highly regarded among those they serve and their peers nationwide, Johnson Favaro's services include all areas of planning and design: master planning, programming, feasibility studies, facilities assessment, cost planning and conceptual design, building design, document production, and construction administration.

Job Summary:

The Project Manager is responsible for general project development and maintenance via model building, building design, document development, programming, and master planning. This position develops elevations, sections, 3D renderings and architectural details. Works under general guidance and direction of the Associate Principal.
