

Job Title: Senior Architect with 8+ years' experience

Firm Name: Bercy Chen Studio

Firm: Bercy Chen Studio

Location: Austin, TX

Contact Email: info@bcarc.com

URL: www.bcarc.com

Bercy Chen Studio is a nationally and internationally recognized design firm based in Austin, Texas and No.8 ranked firm by 2018 Austin Business Journal. Founded in 2001 by Thomas Bercy and Calvin Chen, the firm's body of work represents a contemporary fusion of influences from culture, landscape, technology, and economy. BCS designs, builds and develops many of its projects, a capability which is leveraged to both inform wise design decision making and enable adventurous detailing. The scale of the work ranges from small houses to mixed-use master planning and everything in between.

Bercy Chen Studio is a truly collaborative environment where designers that are passionate about the built environment can thrive. Self-starting, cooperative, entrepreneurial people fit in well and excel.
