

Graphic Designer and Public Relations Coordinator

Hacker Architecture & Interior Design is currently seeking a Graphic Designer and Public Relations Coordinator to assist our marketing department in designing and producing graphics, asset management, updating our website, assisting with digital and social media, and other activities associated with marketing and promotional efforts. Assisting architectural staff in project related presentations and graphics will also be part of the job responsibilities. We are looking for someone who is excited about design and architecture, enjoys a deadline-driven environment, and who will work collaboratively with team members.

Full-time position

Basic Qualifications:

- Bachelor's, associate degree, or equivalent training in any of the following: Graphic Design, Public Relations, or Marketing.
- Interest in public relations, advertising, and promotion of architecture
- Excellent communication abilities
- Fluency in Adobe InDesign, Photoshop, Illustrator
- Working knowledge of web design best practices
- Strong appreciation of design
- Passion for sustainable design and social equity

Please include cover letter, resume, and a link to or copy of portfolio. To apply, please use "General Opportunities" listing at the following link: <https://hacker-architects.hiringthing.com/job/242355/general-opportunities>

About Hacker

Hacker is an architecture and interiors studio united by a desire to create spaces that enrich the world – spaces that make us feel more connected to the landscape, each other, and ourselves. Our devotion to craft and 30+ year history of environmentally progressive design, our expressive use of materials and natural light – above all, our reputation for seeking clarity and meaning in every aspect of the work – has earned us international, national, and regional design awards, top prizes in national design competitions, and publication internationally.

We are an equal opportunity employer and champion social equity and mentorship. We value diversity, are active in our community, and seek to be a workplace where diverse voices are represented and heard. We offer competitive salary and generous benefits including paid family and medical leave; 401k with socially responsible investment options and employer contributions; company paid volunteer time; continuing education stipends; health, dental, life, and disability insurance; and FSA. Hacker is a [Just Organization](#) and is actively working on issues such as diversity, equity, and inclusion in the workplace; corporate social responsibility; and combating climate change. We look for employees who are interested in joining us in this important and challenging work.
