2024

Hello,

I hope this message finds you well. I am a licensed architect with a decade of experience in the field. I am reaching out to express my availability for architectural design and drafting projects on a contract basis.

About Me:

With a strong foundation in architecture and a passion for creating innovative and functional spaces, I have had the privilege of working on a diverse range of projects over the past 10 years. My expertise lies in utilizing AutoCAD for precise drafting and SketchUp/Lumion for creating stunning and realistic renderings. Whether it's developing comprehensive construction documents or crafting unique designs, I bring a wealth of experience and creativity to every project.

Services Offered:

Architectural Design

Drafting and Documentation

3D Modeling and Rendering (SketchUp/Lumion)

Construction Documents

Collaboration with Architects and Interior Designers

Why Work With Me:

I thrive on collaboration and enjoy working closely with other architects and interior designers to bring visions to life. My commitment to delivering high-quality work, meeting deadlines, and ensuring client satisfaction sets me apart. I am dedicated to creating designs that not only meet functional requirements but also exceed expectations.

Portfolio:

To give you a glimpse of my work, I have attached a link to my portfolio <https://www.studionor.design/>. It showcases a variety of projects, illustrating my versatility and attention to detail.

Let's Collaborate:

If you have any upcoming projects or if you know of someone in need of architectural services, I would be thrilled to discuss how I can contribute. Whether it's a short-term collaboration or a long-term partnership, I am open to exploring opportunities that align with my skills and your project needs.

Feel free to reach out to me at matt@studionor.design or 651-271-1319 to initiate a conversation. I am looking forward to the possibility of working together and contributing to the success of your projects.
