PROFESSIONAL EXPERIENCE

STUDENT ASSISTANT

Texas Tech University

January 2023 - May 2023
Lubbock, TX

- Acting as a second tutor for Architectural Technology II: Matter, working with the lecturer to oversee attendance and student projects and provide students additional assistance.
- Help coordinate with students via email during my office hours, addressing any questions or concerns about class discussions.
- Managed and maintained sensitive student information in physical and online files, creating a catalog for the lecturer's needs.

DESIGN SPECIALIST

Ship & Print Plus

May 2022 - August 2022
Katy, TX

- I worked to design and print flyers, banners, and business cards for customers and ensure their vision and goals are perfected in whatever media.
- Managing computer files and updating project statuses to fit printing management software.
- In charge of printing on DTG printers and screen printing for shirts, shorts, cups, etc.

PIT CREW

Bighams's Smokehouse

August 2020 - December 2022
Lubbock, TX

- I helped to communicate with the line team members and deliver positive and constructive communication between the front store staff and Pit Crew.
- I help ensure the serving plates are correct and up to standard before handing them to customers.

COMMUNITY SERVICE

CHRIST THE KING CHURCH

Weekend Food Pantry

April 2017 - June 2019
Houston, TX

- 1302 Design Excellence award
- Chapman Harvy Architecture Scholarship
- Terry & Linda Fuller Architecture Scholarship
