

SHW

Entry Level & Intermediate Architectural Staff

SHW is a new Architecture & Interiors firm in Los Angeles! We have been in Seattle for over a decade and recently expand to LA. We are in the process of building up our staff and looking for office space. The position will be remote to begin then will transition to an in-person office environment. All equipment will be provided. Occasional travel to Seattle may be required.

This is a great opportunity to get in on the ground floor of a growing architecture firm. We are currently hiring for entry and intermediate level architectural/design staff. SHW is working on a variety of typologies with a focus on multi-family, mixed use, commercial and adaptive-reuse.

Who you are:

- Experienced: You have a Bachelor's Degree in Architecture at a minimum. 0-3 years office experience is ideal.
- Adaptable: You have the ability to work well as part of a team and independently.
- Communicator: You possess excellent verbal, written, and graphic communication skills.
- Dynamic: You thrive in a fast-paced environment, multi-tasking, working on multiple projects, and creative problem solving.
- Modern: You have aesthetic sensibilities consistent with our modern designs.
- Eager: You are looking for professional growth.
- Tech-Savvy: You have strong fluency in Adobe Suite & MS Office. Experience with Revit, AutoCAD and SketchUp is a bonus.

What you can expect from us:

- Salary: Commensurate with experience
- Generous Benefits: PTO, health, dental, vision, short and long-term insurance benefits, 401k are included. Public Transit use is subsidized.
- Environment: SHW strives for a happy and healthy work environment. This includes Work-From-Home Wednesday and frequent happy hours.
- Growth: We support continued education through time off for professional development, ARE/AXP support, Lunch & Learns and other opportunities.
- Recognition: You will have the chance to be involved in every step of the design process, from feasibility studies to construction administration.
- Digital tools: We use a variety of in-house creative tools to express our vision including laser-cutting, 3D printing and form-making.
