

SENIOR DESIGN ARCHITECT

Van Tilburg, Banvard & Soderbergh, AIA (“VTBS Architects”) is an award-winning architecture and planning firm with offices in Santa Monica, San Jose, and Denver, Colorado. We are a recognized leader in the design of urban Mixed-Use, Multi-Family Residential, Senior Care and Commercial projects. We currently have a rare opportunity in our Santa Monica office for a talented Senior Design Architect who meets the following qualifications:

Minimum 10-15 years design experience with Mixed-Use and Urban Housing projects with an emphasis on site planning and conceptual design studies.

Able to communicate effectively with excellent verbal and graphic skills.

Strong AutoCAD and Revit skills are required. Additionally, you should have substantial experience using Adobe Creative Suite, FormZ, Rhino and Sketch-Up. Maxwell, Vray and similar programs are a plus.

Competitive salary commensurate with experience.

Great opportunity for advancement.

Excellent benefits including medical, dental and disability insurance, paid parking and a 401K Plan with dollar for dollar matching.
