

Project Architect

We are looking for a full-time Project Architect to add to bspk design inc. team.

Do you want to play a pivotal role in a boutique, high-end residential design studio?

Are you sharing our core values;

- Love to Design
- Provide excellent Service
- Continued Growth
- Curiosity to explore the unknown
- Innovative Problem Solving

What skills and abilities do you need to have?

- Minimum 5+ years of experience in high end residential design applying California Residential Building Codes
- Advanced in BIM (Revit)
- Experienced in Rhino, 3D Studio Max and Enscape
- Experienced in 3D printing
- Experienced managing a compressive permit and construction documentation plan set
- Excellent verbal and written skills
- Self-motivated
- Not afraid to ask questions
- Very detail oriented, organized, and punctual

What benefits can you expect?

- A salary based on your skillset
- Health & dental benefits after 30-day grace period
- 401(k) benefits after 1 year employment
- Paid vacation & holidays after 1 year employment

Please email your application including a resume with cover letter, relevant work samples as PDF attachment not exceeding 10MB to info@bspkdesign.com subject "Project Architect".

We are only looking at applicants within the greater Los Angeles who have a work permit.

Looking forward hearing from you!
