

savel Architects is a small Architectural firm in the vibrant Century City area of Los Angeles. Complementing the Architectural practice, the studio is widely recognized for its technical approach to building design.

We are seeking a motivated Junior-level professional to join our team with an Architectural Degree (Undergraduate or Graduate) and two (2) years of experience to join our collaborative team. Our projects involve a mix of design, investigation, and analysis, offering unique and engaging professional experience.

If you're interested in growing with us, we would be happy to hear from you! Please submit your resume to info@savelarchitects.com.
