## **ABOUT dSPACE STUDIO:**

dSPACE Studio is an AIA award-winning architecture firm specializing in contemporary single-family residences. Our portfolio includes a diverse collection of warm modern dwellings and awe-inspiring vacation homes, united by a philosophy that blurs the line between architecture and art and embraces biophilic design to enhance health and well-being.

## **JOB DESCRIPTION:**

We are seeking an Architect/Architectural Designer with 4-8 years of professional experience and a strong background in residential design.

If you are passionate about creating and detailing exceptional residential projects, we'd love to hear from you. At our dynamic and growing firm, you will have the opportunity to contribute to a diverse range of projects while collaborating with a team of talented architects committed to innovation and design excellence. This position offers long-term growth potential and the chance to play a key role in shaping our future work.

## **JOB REQUIREMENTS:**

- **What We're Looking For:** A talented and energetic designer with experience in contemporary residential design.
- **Experience:** 4-8 years of relevant professional experience across all phases of design, documentation, and construction administration. Strong knowledge of residential design and detailing for interiors and exteriors preferred.
- **Design Talent:** Confidence to take the design initiative, propose groundbreaking solutions, and deliver creative, industry-leading work.
- **Technical Skills:** Proficiency in Revit required. Fluency in 3D software and Adobe Suite required. Please detail your experience with these tools.

- **Professionalism:** Excellent communication skills, a strong work ethic, and a commitment to exceptional client service.
- **Problem-Solving Ability:** Exceptional troubleshooting skills and an aptitude for managing multiple projects simultaneously.
- **Knowledge:** Familiarity with building codes, zoning, and jurisdictional processes is a plus.
- **Team Spirit:** A collaborative approach and willingness to take on a variety of responsibilities.
- **Dedication to Growth:** Enthusiasm for learning, improving, and pushing boundaries.

#### **KEY RESPONSIBILITIES:**

- Create conceptual, presentation, and technical drawings for all project phases.
- Interface with project teams, including consultants and contractors, to ensure seamless project execution.
- Deliver high-quality design and documentation aligned with client expectations and project goals.

#### **BENEFITS:**

- Health Insurance, Dental Insurance, Vision Insurance
- Retirement Plan, PTO
- Hybrid office-home work environment

**COMPENSATION:** Based on experience and qualifications

**TO APPLY:** Please submit your cover letter, current resume, and work samples to **Hiring Manger** at [info@dspacestudio.com](mailto:info@dspacestudio.com) (please limit electronic files to less than 15MB).

We welcome and encourage diversity in our workplace.

Due to high application volumes, we will respond only to candidates selected for further interviews.
