

Date: 3/9/26

Position Title: Senior Interior Designer

Status: Full-time

Firm Profile

Jensen Architects is an award-winning, 30-person, design-oriented architecture firm located in downtown San Francisco. Our studio is currently engaged in a variety of creative design work including cultural, educational, residential, workplace, and mixed-use projects of various scales. We're interested in a critical approach to design, engaging contemporary culture, and exploring innovative construction techniques in search of design solutions that are elegant, effective, and environmentally sensitive.

Our studio offers workplace flexibility with staff working in the office Tuesday-Thursday. However this position requires applicants to be located in the Bay Area and currently authorized to work in the United States.

Description:

Our office is seeking a Senior Interior Designer with 5-10 years of professional experience. A background in Workplace and Commercial Interiors is preferred. We value candidates with an exceptional eye and passion for design. This position will collaborate with project teams and lead design work from concept through execution.

Qualifications:

The available position is full-time with salary and benefits commensurate with relevant experience and qualifications. We're looking for an energetic and motivated designer to join our collaborative studio; successful candidates will possess the following:

- Accredited professional degree in Interior Design or Architecture
- 5-10 years post-graduate, full-time working experience in a design or architecture firm
- NCIDQ certification preferred
- Deep knowledge of materials and vendors to support all aspects of FF&E selections and specifications
- Superior design aptitude and passion for design excellence
- Positive attitude and comfort working in a collaborative manner
- Excellent communication and proven track record managing design delivery process
- Comprehension of all phases of design/project delivery including scheduling, budgeting, design, permitting, construction documents, and construction administration
- Strong drafting, 3D modeling, and presentation skills
- Deep working knowledge of Revit; minimum 3 years working with program in a professional office on 2-3 different project types and scales

How to Apply

Interested candidates are to submit a current resume and complete portfolio demonstrating both design work and working drawings in a single PDF file 10 MB max file size (please do not send separate cover

letter, resume and portfolio files), online portfolios will not be reviewed. Please send via email to jobs@jensen-architects.com with "Senior Interior Designer" in the subject heading.

Jensen Architects is an equal-opportunity employer committed to diversity and inclusion in the workplace. We welcome diverse candidates to apply. We prohibit discrimination and harassment of any kind based on race, color, sex, religion, sexual orientation, national origin, disability, genetic information, pregnancy, or any other protected characteristic as outlined by federal, state, or local laws.
