

OPEN POSITION: PROJECT MANAGER / PROJECT ARCHITECT FOR THE LOS ANGELES OFFICE

dsk architects was established in 2006 with a focus on education and healthcare. In 2020, we also added commercial interiors to our services. We're looking for friendly, ambitious, sharp-minded designers ready to grow professionally and share their knowledge and experience. As a member of the dsk team, you will interact with clients, conduct site visits, grow new skill sets (or polish existing ones), and see your work realized in construction – all with the support and guidance from our seasoned staff.

Our office is bright with ergonomic electric sit/stand desks and 40" 4K monitors for optimal drawing viewing.
