job description:

- Lead and manage residential design projects from concept to completion
- Ensure designs align with zoning codes, building regulations, and sustainability goals
- Collaborate with clients, consultants, and internal teams
- Prepare construction documents, drawings, and specifications
- Mentor junior staff and contribute to the firm's design culture

qualifications:

- professional degree in Architecture
- 5+ years of work experience, with a strong portfolio in residential design
- proficiency in ArchiCAD BIM modelling and Adobe suite
- strong design, communication, and project management skills
- passion for housing, community improvement, and designing architecture that matters

studio offerings:

- meaningful projects with real-world impact
- supportive and collaborative team culture
- health, dental, vision, and retirement benefits available
- flexible schedule and competitive compensation
- PTO (paid time off) accrued commensurate with time worked
- opportunities for continuing education, professional leadership, career growth and support for pursuing licensure

If you're ready to shape the future of housing with us, send your resume, portfolio, and a note about your interest in the position to bap@sb-designgroup.com, subject line: architecture position, April 2025
