

Designer

5+ years' experience

With offices in the Bay Area and New York, McGriff Architects specializes in custom residential spaces that nourish and inspire. As a part of our team of talented professionals, candidates will have the opportunity to be involved in every phase of the design and construction process.

We trust and empower our team with the agency to make decisions that impact the work and the culture of the firm, while making sure that each team member is supported and assisted by our amazing and diverse staff of architects. The nature of the office is casual with a sense of humor, yet our work is rigorous in quality and detail.

We are currently seeking an experienced Designer to join our team.

Who You Are

- A self-starter who is collaborative, organized and self-directing within small teams.
- A talented individual who is looking to take responsibility and grow within their projects and the organization.
- Someone who has experience with client, consultant and contractor interactions, and strong communication skills.
- A team player who can enthusiastically jump in when needed.
- Based in the Bay Area, Los Angeles or New York. Familiarity with the unique design and construction environment of the Bay Area is a plus.

Skills and Responsibilities

- An exceptional design sensibility and a strong portfolio.
- Able to create reliable, well-coordinated drawings across all phases of design.
- Collaborate with project managers and firm principals across many facets of the project, including design development, project deliverables, and meetings, both internal and external.
- Assist with code and planning research, and other research tasks.
- Produce presentation materials.

Experience

- At least 5+ years of experience with an architectural firm, focused on custom single family residential projects.
- Proficient in AutoCAD, SketchUp, MS Office, Adobe CS, G Suite.
- Accredited degree in Architecture (B.Arch or M.Arch).
- CA license, or in active pursuit of professional licensure.

Benefits

We offer a competitive salary (commensurate with experience), paid time off and paid holidays. Our San Francisco office has a hybrid schedule, currently with three days working together in-office, and two days at home. We cover 100% of health, dental and vision benefits. We also provide a 401(k) plan with employer contribution, continuing education benefits, the option to work remotely for up to 2 weeks per year, and excellent potential for professional advancement and growth. Incentives are also offered for completion of professional licensure.

How to Apply

Qualified individuals are invited to submit a cover letter, resume, and samples of work (10 MB maximum) in PDF format or a link to your website.

Please send all items to: careers@mcgriffarchitects.com with the subject line "Designer LA - Your Name." No telephone calls or recruiters, please.

McGriff Architects thanks all candidates for their interest; however, only those selected for an interview will be contacted.
