

ARCHITECTURAL DESIGNER / JOB CAPTAIN (3-5 YRS)

Preen is an international, award-winning hospitality design and architecture firm.

We are seeking an awesome lover of design to join our flock. We like self-directed team players who want to get onto the court. Our ideal candidate is great at design, organized and is a good communicator.

We will immerse you in all aspects of a project from start to finish. We work closely together as a team, however, everyone in the office gets the opportunity to project lead, so a desire to project manage is essential.

We specialize in restaurants and hotels. We manage both the architectural and the interior design functions, so day to day tasks can range from coordination of MEP Engineering to selection of tableware.

We ask that you have a degree in Architecture (Masters preferred), be versed in Revit, have a car or have a plan that will get you to job sites, be permanently legal to work in the US and like animals as we have two parrots and a cat in the office.

If you are interested, please email your cover letter, resume and portfolio to Alexis at info@preeninc.com.
