

TECHNICAL DESIGNER - Los Angeles

Founded in 1993, TCA Architects specializes in the planning and design of next generation, high density multi-family housing, retail, mixed-use and signature hospitality developments taking pride in helping shape quality environments for everyone. The firm's collaborative approach and industry leading technological expertise have resulted in award-winning, sustainable projects that respect our communities and the environment. With studios in Irvine, Los Angeles, Oakland and Honolulu, TCA has been recognized for their industry leading expertise in master planning and design for a variety of multi-family, hospitality and mixed-use projects. With more than 20,000 residences currently in development, TCA Architects is one of California's fastest growing architectural firms.

The Technical Designer will assist the Job Captain in the production of construction documents from cartoon set, prepare all general project data sheets, dimension all plans, note & reference all materials & products, draw undeveloped building & wall sections, assemble project details, apply applicable code requirements, and assist with back check. They will also assist with plan check corrections and consultant coordination, transferring hand sketched unit floor plans and elevations into Revit, and assist the PM or JC with services during construction (issue ASI's, RFI's, and review shop drawings).

Qualifications:

- Multi-family experience preferred
- Minimum of 3-5 years Revit experience
- Working knowledge of building construction Types I, III and V.
- Excellent organizational skills
- Ability to prioritize & multi-task

Education:

- Bachelor's Degree in Architecture preferred
- On track to be licensed

Position Location: The Technical Designer will be located in our downtown Los Angeles office. We offer a hybrid schedule of working 3 days in the office and Thursday - Friday from home.

Salary Range: \$28.00 - \$38.00/hour (\$58,240 - \$79,040/yearly)

About TCA Los Angeles:

TCA's Downtown Los Angeles studio is within walking distance to numerous acclaimed restaurants, a burgeoning retail scene, the Fashion District, Staples Center, the Convention Center and Nokia's LA Live. Lead by TCA Principal Eric Olsen, the staff enjoys its role as part of the vibrant urban environment. For those that live outside downtown, the studio has convenient access to wide variety of public transportation such as the Metro system just blocks from the front door, as well as nearby Amtrak and Metrolink stations. And, with the boom of residential housing in the area, many of the team members have chosen to live and work and play right in the heart of Downtown LA!

Benefits:

TCA offers a comprehensive benefits package including medical, dental, vision, 401K, life insurance, paid holidays, vacation and paid time off. We also offer bonus opportunities and the opportunity to work a flexible schedule with half days on Friday.

As part of our commitment to our staff's professional development, TCA provides a full library of IDP materials to train and expose young professionals to various areas of architecture and become more well-rounded Architects as they prepare for licensure. TCA also reimburses for successfully completed IDP tests, as well as CA licensing fees.

TCA provides equal employment opportunities (EEO) to all employees and applicants for employment without regard to race, color, religion, sex, national origin, age, sexual orientation, disability or genetics.
