JOB DESCRIPTION

Who We Are

The Miller Hull Partnership designs projects of consequence that celebrate the power of people and their natural surroundings. Our legacy of environmentally responsible buildings is inspired by the efficiency and elegance of passive systems and regional materials. We leverage the openness and flexibility of modernist form to celebrate connections inside and out.

With two studios bookending the West Coast in Seattle and San Diego, our firm employs over 200 people who collaborate across studios to deliver thoughtful design solutions. Our collaborative studio culture is built on mentorship and an integrated approach to projects ranging from healthcare to civic to affordable housing.

Job Summary

Miller Hull is seeking a Design Professional with 6-10 years of experience with strong technical skills, a passion for design excellence, and the ability to lead projects from concept through construction administration. The ideal candidate will bring expertise in project management and documentation, and a dedication to mentorship and team collaboration. Experience with civic, community, educational, or healthcare building types is preferred.

Responsibilities

- Lead and manage small to medium sized projects and tasks on larger projects
- Coordinate project schedules and budgets as assigned
- Develop client presentations and lead project meetings
- Coordinate and direct technical staff on assigned projects
- Develop integrated construction document packages with cross-disciplinary coordination
- Guide and mentor junior staff in technical knowledge and project development
- Interface and coordinate with sub-consultants, contractors, and other stakeholders

Qualifications

- Professional degree in architecture (B.Arch or M.Arch)
- 6-10 years of experience in architectural practice
- Proficiency in Revit required; experience with Rhino, Grasshopper, or similar tools preferred
- Knowledge of building codes, construction methods, and materials
- Strong communication and organizational skills
- LEED accreditation preferred; commitment to sustainable design
- Architectural licensure preferred

Compensation & Benefits

Miller Hull offers a competitive compensation package. The salary range for this position is \$88,000-\$105,000 annually, dependent on qualifications and experience. Benefits include medical, dental, vision, 401(k) with employer match, paid time off, paid parental leave, and professional development support.
